

## “ACTIVE SHOOTER”

### Delaware State Police, Detective Tim Kerstetter

Learn the tactics for fire and EMS in dealing with one of today's biggest issues. Understand the important coordination between police, fire and EMS. What is the hot and warm zone? When do you enter the building? What protection do you have? What is your mission? These and many more questions will be answered. An active shooter can happen at any place or any time. Are you prepared?
