Guests

Bill Webb, Executive Director of the Congressional Fire Services Institute

- The 24th Annual National Fire and Emergency Services Dinner and Seminars Program will take place April 25-26 at the Washington Hilton.
- The theme of the program is “Legacy of Leadership.”
- The seminar program will feature elected officials, Administration officials and fire service leaders who will discuss a broad range of fire service issues.
- Encourage departments within the state of Delaware to be nominated for the awards we present annually, including the Excellence in Fire Service-Based EMS Award and the Fire Service Safety Leadership Award. Information is available on our website.
- Challenging times in Washington, DC. CFSI is working closely with the other national fire organizations to preserve funding for the Assistance to Firefighters Grant Program and the SAFER program. Also working on other issues addressing the Public Safety Officers Benefit Program, interoperability and communications, and fire sprinklers.

- Appreciate the continued support we receive from DVFA. CFSI is private funded – we do not receive any type of government support including AFG funding – which is why we are so grateful for organizations like DVFA that recognize the value of our mission.

Delaware State Fire Prevention Commission. Presentation of McCormick Awards

As a Legacy, the State Fire Prevention Commission dedicated the following awards in memory of Past Commissioner Ed McCormick in 1997. We are pleased to remember him as honor these Delawareans who work tirelessly to prevent fires and save lives. We are very grateful for the submissions and the efforts made by all of the fire companies.

Second Place: Felton Community Fire Company

Felton Community Fire Company is a focal point of the community of Felton. They reach countless numbers of people through group efforts in the different schools, and town events. Their accomplishments have been recognized by the Lake Forrest School District, and countless children with letters of appreciation. The Fire Prevention Commission also appreciates the dedication of this company. We recognize Felton Community Fire Company as the Second Place Award recipient.

First Place: Christiana Volunteer Company

With a committee of 15 dedicated members, Christiana Fire Company excels in Fire Prevention throughout their Community. They touched the lives of approximately 5000 people. They hosted 2 open houses and did 43 tours and presentations. One of the presentations was at the Margaret Sterck School for the Deaf. This was a unique teaching opportunity and lessons were learned on both sides of the spectrum. We could go on and on with the accomplishments and strides that this company works towards to get the fire prevention word out. With a motto of : “ Fire Prevention, Educating the Public so Others May Live”, its easy to see the motivation behind their success. It’s the Fire Prevention Commission’s honor to recognize Christiana as our first Prize award recipient.

Scholarship Presentation from the Ladies

- LADVFA presented a check in the amount of \$1500
- Kent County LADVFA presented a check in the amount of \$1000
- Sussex County LADVFA presented an IOU as they have not had their meeting yet
- New Castle LADVFA presented a check in the amount of \$1000 and the deceased Past Presidents of New Castle County presented a check in the amount of 500.00
- Checks were turned over to Treasurer Raymond Stevens for scholarship.

Report of Officers

President Charles Frampton

1. Appreciate everyone attending the CFSI Dinner, April 26. Attendance forms have been mailed out and are on the website.
2. The DVFA applied for a 1.6 Million SAFER Grant for Recruitment and Retention

First Vice President Charles Boyer

Second Vice President Richard Toulson

President Frampton, Fellow Officers, Delegates, Alternates, Members, and guests of the DVFA, I apologize that I'm Absent from today's meeting due to a family obligation. Since the December meeting, I have attended the following meetings representing the DVFA, three county Firefighters Associations the State Fire Chief's Association, the Sussex County Fire Chiefs Association, the State Fire Prevention Commission meetings and DEMSOC meeting. I was one of the many Delaware Fire Fighters that went to Legislative Hall Attending the Joint Finance Committee hearings. I would like to congratulate and thank Secretary Sutton and the Government Affairs Committee for their presentation to the JFC. I attended nine funerals for Fire and EMS personnel. I want to thank all the departments for the hospitality shown to my wife and me at their banquets.

Executive Manager Jones and I have attended seven fire stations in Sussex County, although Warren has been presenting the PowerPoint presentation of the DVFA Overview throughout the state. The program is very informative and I believe every member of the Fire and EMS service should see it. I'm requesting anyone that would like the program presented to their membership please contact the DVFA or any association Officer to arrange this thirty minute presentation at your station.

Secretary Robert Sutton

Sutton Reported his report was in written form.

Treasurer Allan Metheny

Fellow Officers, Delegates, Alternates, Members, and Guests
It gives me great pleasure to present the attached Treasurer's Report for the period December 8, 2011 through March 7, 2012. This report includes both the DVFA Operations and the Conference accounts.

I transferred \$1483,456.03 to the Northern Trust Company for our Calendar Year 2011 DVFA Pension Programs. This consisted of \$1,310,956.03 for the employers share of the program and \$172,500.00 to cover 2,875 fire company and ladies auxiliary members. I want to thank the Companies this year for filing the paperwork and contributions accurately. I have already talked to the Pension Office and will plan to assist with the Pension Seminar again this year at the Conference.

I want to thank everyone for your thoughts, prayers, phone calls, visits. And get well cards since my triple bypass. I am doing much better than I was expecting during my recuperation process, but its going to take a while. Again, thanks to everyone. If anyone has any questions, please let me know.

Motion to Accept Officers reports and spread them upon the minuets by Billy Leon and seconded by Jasper Lakey. Motion Carried

Executive Manager Warren Jones

Partners in Progress: We have been working on our Partners in Progress solicitations and wanted to know if you may have any suggestions for new partners for us to contact. We are attempting to dramatically increase our outreach, so if there is some major business in your district please let us know. It doesn't matter if it the Chicken Plant in Selbyville or Amazon .com in Middletown. Speaking of Partners I want to thank Todd Riley for his work with M & T Bank in obtaining a grant from them for Wake up Delaware.

Company Meetings: I want to sincerely thank all of you who have invited us to your company meetings. The response has been outstanding. We truly appreciate the hospitality. We have been to or scheduled to be at 22 companies so far. We would love to come you all of your company meetings. Our power point presentation takes about 20 minutes. If you would like to schedule a meeting please call the office or contact one of the directors or myself.

Newsletter: We have sent out the 2nd edition of our newsletter. If you have not received it please give Melissa your email address and she will add you to our list. I hope you have enjoyed it.

Revolving Loan Fund: We attended a meeting of the Revolving Loan Fund this week and wanted to report of the changes that have been made and the status of the loan. There is \$757,941.99 in the fund, available to the fire companies. The committee made the following changes:

1. Lowered the interest rate to 2%. The current prime rate in 3.25%. If you are fortunate to acquire a non-profit at 65% of prime you would be paying 2.11%. So the rate of the revolving loan fund is less.
2. They removed the deadline date. So you may apply at anytime.
3. They will make decisions quarterly before each executive meeting.
4. They increased the rates for ambulance and apparatus.

The Revolving Loan Fund is a win-win for the Fire Companies. One of the DVFA's requests from the legislators was to increase the funds in the revolving loan fund. The likely hood of that happening with three/quarters of a million in the fund is not very good. The fund is for almost any major expenditure, apparatus, ambulances, rescue boats, or equipment.

Personal Issues:

The Executive Manager discussed his quote in the News Journal. He then thanked the Association and the members for their condolences and kindness during the loss of his brother.

Committee Reports

Advisory to State Fire Marshal – Frank J. Bailey or Grover P. Ingle

- Deputy Fire Marshal I vacant position – received a list of candidates from OMB this week. List is currently being reviewed and interviews will be scheduled within the next two weeks.
- Fire Protection Specialist II - Gary Long retired from the Office of the State Fire Marshal effective February 29, 2011. Fire Protection Specialist II John Reedy has been transferred to the Kent County Division Office effective March 8, 2012. Fire Protection Specialist II Steve Callaway will be transferred to New Castle County effective April 9, 2012 and will continue to serve as the backup for Kent County. The vacant fire Protection Specialist will be filled in the future provided ASF accounts can sustain funding this position.
- FY 2013 Budget – The Office of the State Fire Marshal has attended the JFC Committee Hearing and Bond Bill Hearing for the FY 2013 budget and will be seeking to maintain our current level of funding as FY 2012. No Capital request submitted by the Office of the State Fire Marshal for FY 2013.
- The Office of the State Fire Marshal submitted proposed changes to the 2009 Delaware State Fire Prevention Commission Regulations and the Commission DAG is currently preparing them for submission to the Registrar.
- The State Fire Marshal has met with the Fire School Director and Facilities Management on the Sussex addition and the project is finally moving forward.
- The second fire fatality of the year occurred on March 1, 2012 at the 31000 block of Wingate Rd. Dagsboro. A deceased victim was found by Dagsboro Fire Fighters during fire suppression and search operations. The victim was pronounced by the Sussex County Paramedics at the scene. No smoke alarms were found in the dwelling, however other circumstances may have contributed to the victim being unable to escape the fire. Incident remains under investigation by OSFM/DSP. The first fire fatality occurred in the City of Dover on January 8, 2012. A working smoke alarm was present in that fire; however other circumstances prevented the victim from escaping the fire. Incident remains under investigation by City of Dover FM/Dover PD.
